Stealth Construction P/L is one of the fast growing medium sized companies in Zimbabwe. The entity was founded after the directors saw a gap in the business of construction, civil construction, to construct, maintain, improve, renovate, repair, build, painting, roofing, electricals plumbing, housing and borehole drilling. They decided to create a company that will deliver world services that will satisfy the needs of all clients.

The Directors are people with extensive knowledge and experience spanning over years. We assure that any of our clients' requirements will be handled with professionalism and urgency they deserve!
